Mix & Match Quilting

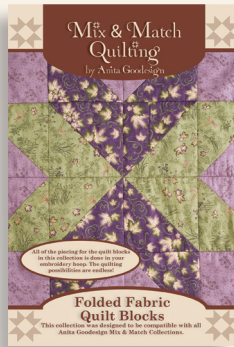

by Anita Goodesign

There are a few changes in packaging starting in July 2011.

We have a new line called “Mix and Match” Quilting. The Mix and Match line enables our customers to combine multiple collections together for new projects. All of the blocks in the Mix and Match line are sized the same insuring complete compatibility. Christmas Quilt Blocks is the newest release in the Mix and Match line. There are 4 previous releases also included in the line, they include Jelly Roll Quilt Blocks, Quilters Dream, Quilters Dream 2 and Folded Fabric Quilt Blocks. All of these collections were originally released under the “Quilting Designs” line. The only difference in the collections is the new packaging.

There have been no changes to the designs. Since there are no design nor tutorial changes we will not be accepting trade outs on the previously released collections.

Please note: No need to worry!
Folded Fabric Quilt Blocks, Jelly Roll
Quilt Blocks, Quilter's Dream and Quilter's
Dream 2 were previously released as a
“Quilting Design” collection. They are now
released in the new Mix & Match Quilting
packaging. These collections still have the
same exact designs; just
different packaging!
