PATTERN KEY

Bobbin color change

Thread color change

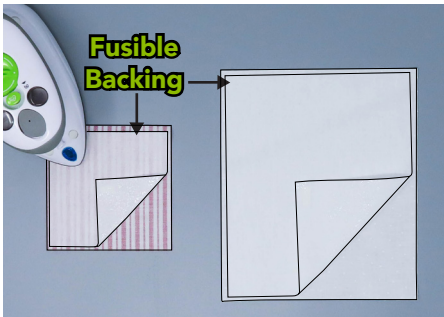

Embroidery machine step

Fusible Backing: This will provide extra structure to the fabric and reduce shadowing and/or puckering. This will be used in addition to the required stabilizer.

Raw-Edge Applique: This technique will not have additional cover stitches. All tack-down lines will show in finished project. SVG files are not provided for raw-edge applique designs. It is best to use the tack-down and trim method for raw-edge applique.

Just Popping By Design

1.

A. Iron **Kimberbell® Fusible Backing** to wrong side of Background and Popcorn Bucket Fabric for 15-20 seconds.

B. Load the desired embroidery file into the machine.

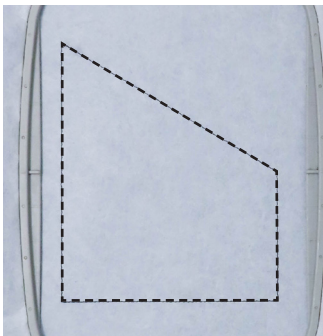

C. Hoop **Kimberbell® Medium Tear-Away Stabilizer**.

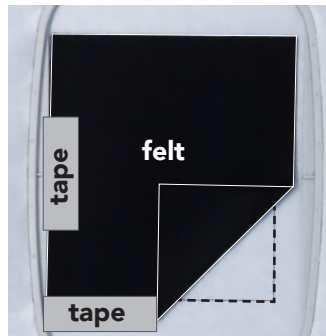

2.

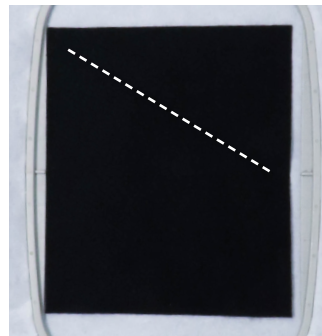

Note: Felt Tack-down Line will show in finished project.

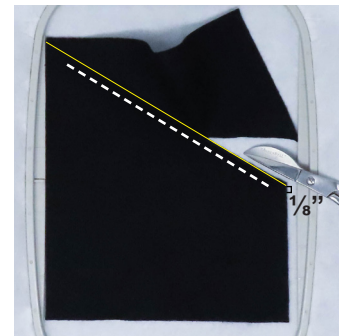

A. Stitch **the felt placement line** directly on top of stabilizer.

B. Place **(1)** Base Felt completely centered over the placement line. Tape in place.

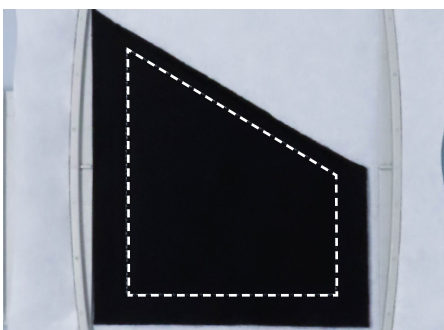

C. Change thread to match felt. Stitch **the felt tack-down line**. Remove tape.

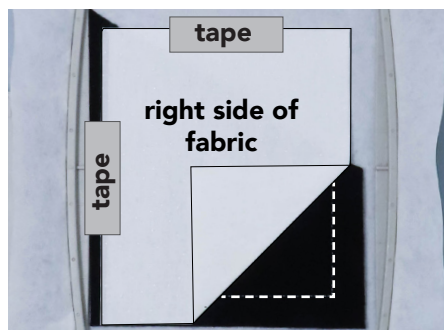

D. Trim felt $\frac{1}{8}$ " from the stitch line on the slanted line only (Shown in **yellow**).

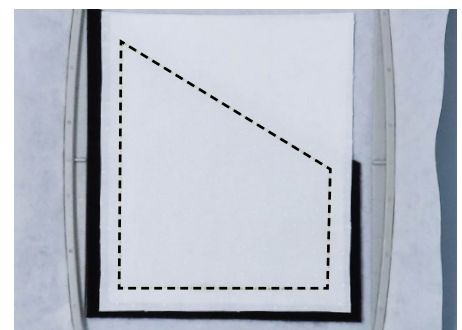

3.

A. Stitch **the background placement line**.

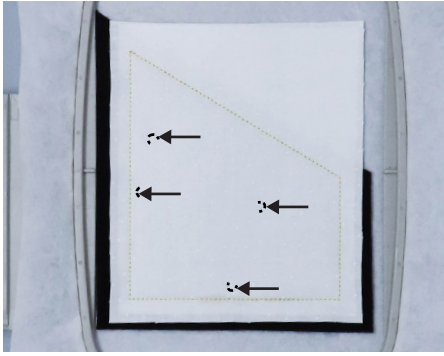

B. Place the Background Fabric **right side up**, completely centered over placement line. Tape in place.

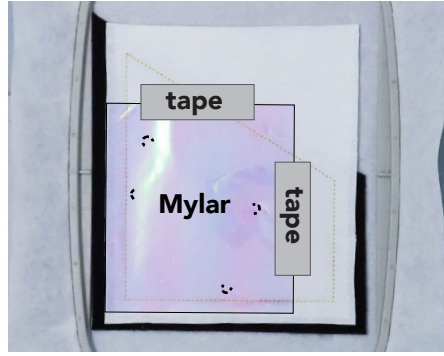

C. Change thread to desired color. Stitch **the background tack-down line** (Do not trim fabric at this time.) Remove tape.

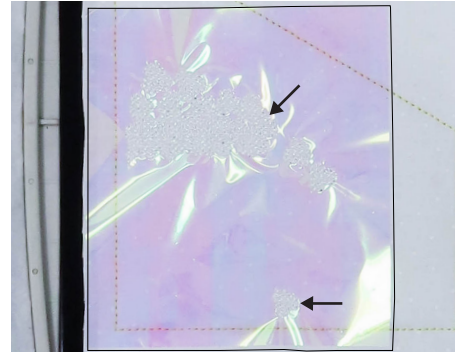

4.

A. Change thread to desired color. Stitch **the Mylar placement line**.

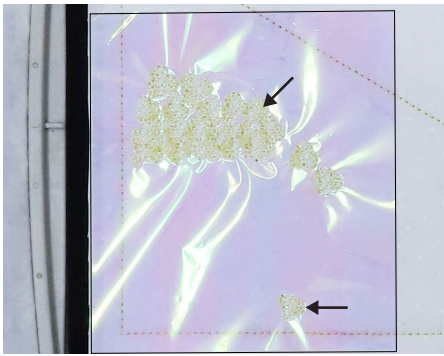

B. Place the Popcorn Mylar, completely covering the placement line. Tape in place.

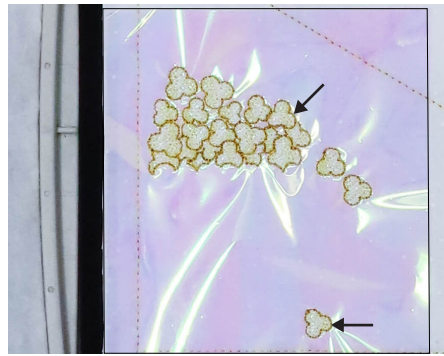

C. Stitch **the popcorn Mylar tack-down line**. Remove tape.

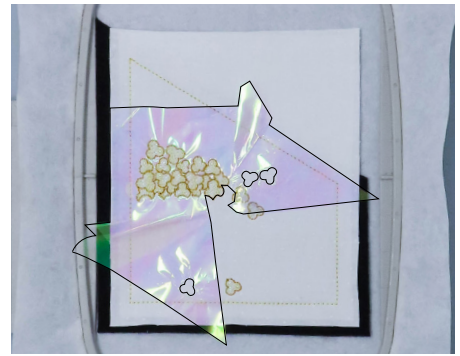

5.

A. Change thread to desired color. Stitch **the popcorn butter detail**.

B. Change thread to desired color. Stitch **the popcorn outline**.

C. Tear away excess Mylar.

6.

A. Change thread to desired color. Stitch **the popcorn bucket placement line**.

B. Place Popcorn Bucket Fabric **right side up** at a 45° angle, completely covering the placement line. Tape in place.

C. Stitch **the popcorn bucket tack-down line**. Remove tape.

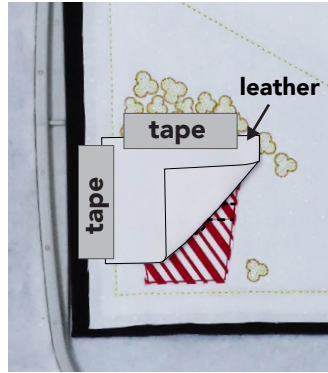

D. Trim fabric close to the stitch line.

7.

A. Change thread to desired color. Stitch **the label placement line.**

B. Place Label Leather, completely covering the placement line. Tape in place.

C. Stitch **the label tack-down line.** Remove tape.

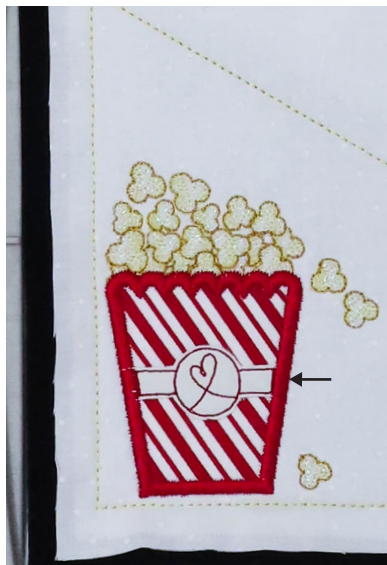

D. Trim leather as desired.

8.

- Change thread to desired color

- Stitch **the popcorn bucket satin outline**

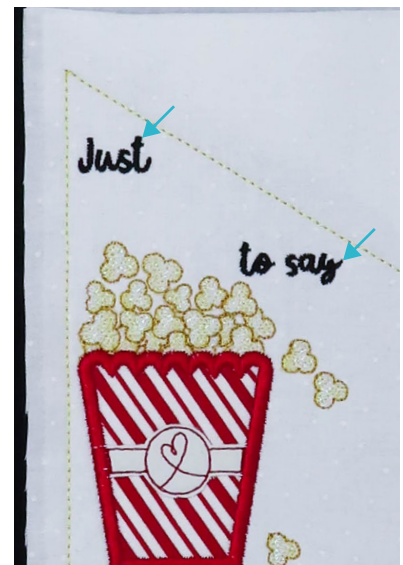

9.

- Change thread to desired color

- Stitch **"Just to say"**

10.

- Change thread to desired color

- Stitch **"No one's"**

11.

13.

- Change thread to desired color

- Stitch "Butter"

14.

- Trim Background Fabric close to the Background Tack-down Line

15.

- Tape all sides of felt in place to prevent pulling
- Change thread to desired color

- Stitch *the background fabric satin outline*

16.

- Change thread to desired color

- Stitch *the background decorative topstitch*

- Remove tape

17.

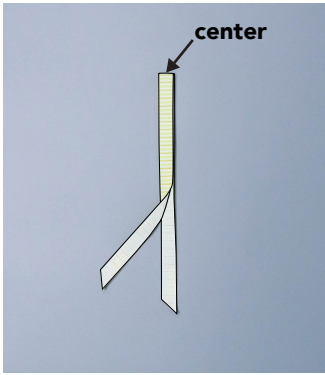

- Change thread to desired color

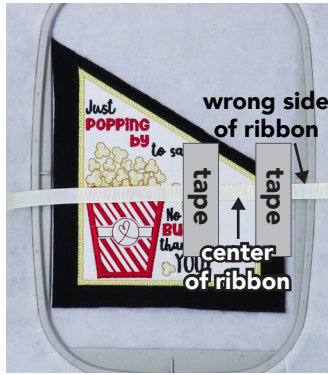

- Stitch *the ribbon placement lines*

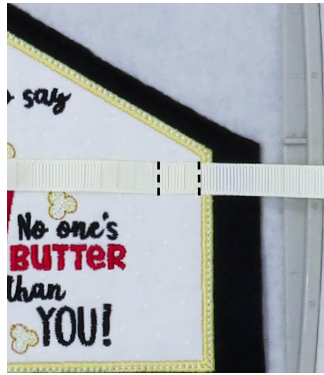

18.

A. Fold ribbon in half to find center.

B. Place the ribbon **right side down** horizontally, with the center between the ribbon placement lines. Tape in place.

C. Stitch **the ribbon tack-down lines**. Remove tape.

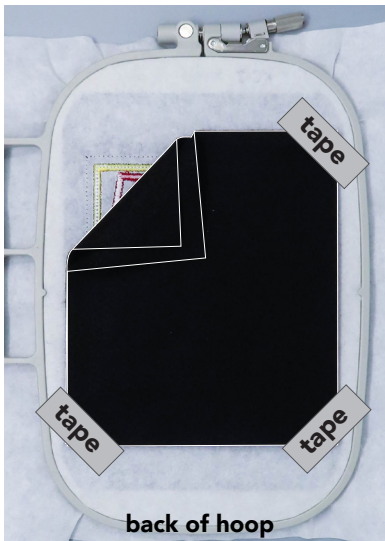

D. Tape ribbon ends to the center of the project to avoid stitching over them.

STEP 22

19.

- Remove hoop from machine and turn to back
- Place **(2)** Base Felt completely covering the project
- Tape corners in place
- Change bobbin to match felt

20.

- Return hoop to machine
- Change thread to match bobbin
- Stitch **the final stitch outline** (Do not remove tape from ribbon.)

STEP 23

Note: Thread will show in finished project. Use same thread color as Direction Step 2C.

21.

A. Remove project from hoop. Remove tape from **back**. Tear away excess stabilizer between layers of felt.

B. Remove excess stabilizer from inside pocket triangle.

C. Trim felt $\frac{1}{8}$ " from final stitch outline, being careful to not cut ribbon. Remove tape.

22.

- Using the ribbon, tie the filled sweet tube to the pocket
- Fill the pocket with goodies

23.

- Project is now complete
